

An invitation to:
Learning Progress Conferences
Tuesday 19 August 2025
3:10pm-7.30pm

Dear Ascot families,

You are invited to meet with your child's class teacher to discuss their learning progress so far this year. We value our relationship with you as partners-in-learning and see these conversations as an opportunity to further enhance these respectful relationships in an atmosphere of trust, where confidentiality is respected.

The learning progress conference is an opportunity for parents to:

- gain insights into your child's learning approaches at school.
- discuss how your child is progressing in the development of our Ascot Assets i.e. their personal-social capabilities and academic knowledge and skills.
- hear about your child's personal goals and progress towards these.
- share your reflections on your child's learning successes and challenges.
- strengthen the connection between your child, teacher and parents-carers so that your child knows we are all working together for their success in and joy of learning.

These conferences are for all P-6 students and will be held in your child's classroom. All learning progress conferences are 10 minutes duration with a short changeover to allow staff time to prepare for the next family.

The online booking system will open at **9:00am Tuesday 5 August** until **3:00pm Tuesday 12 August**. Please click on the link below to secure your booking time.

Ms Deb Cox
